CHADDOCK TOP DOWN

Chaddock Top Down Custom Dining Table Program invites you to mix and match dining table tops and bases with an amazing variety of custom options.

Chaddock has put it all on the table. Top Down opens up a world of dining room table choices, as designers pair various table top and pedestal base styles. But that's just the beginning. Here's how it works:

- **BEGIN WITH A BASE:** Choose from ten unique pedestal base styles.
 - **TOP IT OFF:** Choose from 4 table top styles, 4 top sizes, 4 edge treatments, and apron or no apron.
 - **FINISH IT UP:** Choose from over 50 standard wood options, 4 distress levels and 3 sheen options.
 - **TAKE IT TO THE NEXT LEVEL:** Consider premium and combination finishes, and conversion varnish finishing treatment for reasonable additional upcharges.
