

ROBERT JAMES COLLECTION

ROBERT JAMES COLLECTION finishes are created with full understanding of the material. White Oak, Walnut, and Iron are all gifts from nature. Our craftsmen honor each material with environmentally conscious finishes, artfully applied to enhance their unique organic beauty.

WHITE OAK

We painstakingly wire brush our White Oak by hand to highlight the beautiful grain. Then, all layers are hand-applied to achieve the final finish. Our goal is to achieve an organic finish that complements the natural beauty of the wood with each piece. Top coats range from a soft flat to a mild satin.

BLANCO

WHEAT

DRIFTWOOD

GREY WASH

MESQUITE

SAHARA

SAGE

PATAGONIA

TEMECULA

SONORAN

SUMATRA

SABLE

MOCHA

CHESTNUT

EBONIZED

WALNUT

Walnut is a sensuous hardwood with a beautiful smooth texture and mesmerizing grain. Walnut is best when shown without too much modification. Top coat is a satin sheen.

BONE

CARMEL

NATURAL

POLISHED LACQUER

Our Polished Lacquer imbues a smooth silky look for a more modern vibe. Polished Lacquer is also great to mix and match on pieces with our White Oak and Walnut. Custom colors are available as well. Top coat is a gloss sheen.

BLACK

WHITE

IRON AND STEEL

We love working with these materials. There's not much our ironsmiths can't do! Our iron and steel finishes represent organic colors and textures of natural patinas that occur over time.

BRUSHED STEEL
